**Press release: Fujirebio Europe launches Lumipulse® G B•R•A•H•M•S PCT for fully automated testing on the LUMIPULSE G series**

Fujirebio Europe today announced the release of the Lumipulse G B•R•A•H•M•S PCT assay. This CE-marked CLEIA (chemiluminescent enzyme immunoassay) test kit adds to the broad product portfolio that is already available for the LUMIPULSE G600II and the LUMIPULSE G1200 immunoassay systems.
Press release: The latest test from Fujirebio's gold standard Alzheimer panel, the INNOTEST® β-AMYLOID(1-40), is now CE marked

Fujirebio Europe announces having received the CE mark for its INNOTEST β-AMYLOID(1-40) Alzheimer test, an immunoassay kit for the quantification of β-Amyloid(1-40) in cerebrospinal fluid.

Testimonial: Automated measurement of 25-OH Vitamin D on the LUMIPULSE® G1200: analytical validation and method comparison

Read this testimonial written by Laura Foj, Marina Parra and Xavier Filella from the Department of Biochemistry and Molecular Genetics, Hospital Clínic in Barcelona, Spain.

Event: Meet us at Arab Health in Dubai, UAE

We will be present as Silver Sponsors at this event (booth #Z5E48 in the Za'abeel Hall) which takes place from January 25th.

Video: New Year Greetings from Fujirebio

It's that time of the year and we would like to offer your our sincere wishes for a successful and happy 2016 with this short festive video from a laboratory near you! :-}
