SAVE THE DAY

### Educational workshop at EuroMedlab 2017: Save the day!

Join our educational workshop at this year's Euromedlab in Athens, Greece. Three eminent experts, chaired by M. Plebani (Italy), will review our three recently launched fully automated Lumipulse® G assays: hs-Troponin I, wPTH third generation and Alzheimer's disease.

NEURODEGENERATION

### CTAD poster: Highlights of the Lumipulse G $\beta$ -Amyloid 1-42 assay

By popular demand we have uploaded the poster Lumipulse® G  $\beta$ -Amyloid 1-42: Key performances of a fully automated chemiluminescent immunoassay as an eServices Premium resource. This poster was presented during the CTAD 2016 and contains the final performance data for our newly CE-marked Lumipulse G  $\beta$ -Amyloid 1-42 assay.
