NEWS

## Fujirebio Europe announces the CE-marking of the Lumipulse® G Total Tau assay and extends its offer of fully automated assays aiding in the early diagnosis of Alzheimer's disease

We have announced the CE-marking of our Lumipulse G Total Tau assay for the fully automated LUMIPULSE immunoassay systems. This CLEIA (chemiluminescent enzyme immunoassay) kit allows for the quantitative determination of total Tau in human cerebrospinal fluid within just 35 minutes.
